

## Description:

Model: LA104 Logic Analyzer  
Color & Material: Black Metal Case  
Input channels: 4  
Output channels: 4  
Maximum sampling rate: 100MHz  
Minimum captureable pulse width: 10ns  
Equivalent input impedance: 1M Ohm  
Programmable type: SPI IIC UART  
3V Power output channel: 1  
Built-in battery capacity: 550mAh  
Certifications: CE, FCC  
Storage: Built-in 8MB Flash  
Screen Size: 2.8"  
Resolution: 320\*240  
Product Size: 100\*56\*8.6 mm

## Package include:

1\* LA104 Logic Analyzer  
20\* Dupont Line  
5\* Probes  
1\* User Manual
